

INNOVATION IN LABORATORY SOLUTIONS

Integrated Infrastructure • Digital Intelligence • Regulatory Excellence

Laboratory Instrumentation & Process Systems

- **Osmometer**
- **Cryoscope**
- Autoclave
- Homogenizer
- Colony Counter
- Thermostatic Water Bath
- Universal Water Bath
- **Hot Melt Extruder**
- Online Metal Detector
- Online Checkweigher

Advanced Spectroscopy & Material Analysis

- **Raman Imaging Microscope**
- **Portable Raman Spectrometer**
- **Portable NIR Spectrometer**
- **Portable XRF Analyzer**
- Portable Narcotics Analyzer
- Portable Gemini Analyzer
- Viscometer
- **XRD**

Particle & Environmental Monitoring

Cleanroom & Liquid Contamination
Monitoring Solutions

- **Air Particle Counters**
- **HIAC Liquid Particle Counters**
- **Active Air Sampler**

Digital Laboratory Platforms

- Integrated Enterprise Laboratory Platform
- **LIMS & ELN Solutions**
- eQMS & Digital Document Control
- CAPA, Deviation & Change Management
- TRIMS – Training & Competency Management
- Stability & Microbiology Modules
- Advanced Analytics & Data Integrity Compliance
- Enterprise Customization & System Integration

Environmental & Stability Systems

- **Walk-In Stability Chamber**
- **Walk-In Cooling Chamber**
- **Walk-In BOD Incubator**
- **Stability Chamber**
- **Cooling Chamber**
- **BOD Incubator**
- Deep Freezer
- Photostability Chamber (RH Control)
- **Photostability Chamber**
- Laboratory Oven
- Pharmaceutical Refrigerator
- **Dual BOD Incubator**

Pharmaceutical Testing & Analytical Solutions

- **Tablet Dissolution Test Apparatus**
- **Tablet Disintegration Tester**
- **Tablet Friability Tester**
- **Tablet Hardness Tester**
- **Electromagnetic Sieve Shaker**
- **Tap Density Tester**
- Bulk Density Tester
- Leak Test Apparatus
- Visual Melting Point Apparatus
- **Karl Fischer Titrator**
- **Laboratory Glasswashers & Dryers**
- **Genuine Consumables & Instrument Spares**

INNOVATION • PRECISION • TRUST

Precision in Practice: Mastering Lab Glassware Cleaning

Standards • Validation • Infrastructure • Technical Services

Pharmaceutical Standards & Specialty Chemicals

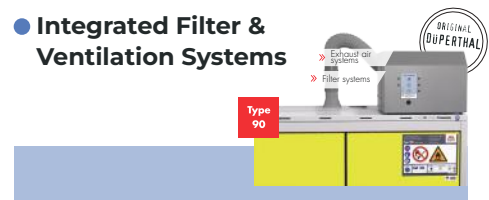

- Active Pharmaceutical Ingredients (APIs)
- Drug Intermediates
- ICP & GC Standards
- **Secondary & Working Standards**
- Certified Reference Materials
- Specialty Chemicals
- Organic & Inorganic Chemicals
- **Analytical & Impurity Standards**

Laboratory Infrastructure & Technical Furniture

- **Complete Laboratory Furniture**
- Work Benches & Work Tops
- Fume Hood, Canopy Hood & Extract System
- Chemical Storage Cabinet
- **Anti-Vibration Table**
- Bio Safety Cabinet / Laminar Air Flow
- **Emergency Shower / Eye Wash**
- **Blower & Filter, Safety Fittings, Sink & Drip Cups**

Advanced Chemical Storage & Safety Cabinets

- **Flammable Safety Cabinet**
- **Chemicals, Acids & Bases Safety Cabinet**
- Combined Storage Cabinet
- Compressed Gas Cylinder Safety Cabinet
- Activated Charcoal Box
- **Integrated Filter & Ventilation Systems**

INTEGRATED PHARMACEUTICAL COMPLIANCE ECOSYSTEM

Computer System Validation (CSV)

- 1 Validation Planning
- 2 Risk Assessment
- 3 System Testing
- 4 Documentation
- 5 Audit Readiness

Quality Systems & Audit Consultancy

- 1 QMS Implementation
- 2 Internal Audits
- 3 Supplier Audits
- 4 Documentation Support
- 5 Training & Compliance Readiness

Waste & Safety Handling Systems

- EZwaste® Cap Assembly
- EZwaste® Manifold
- EZwaste® UN/DOT Solvent Waste System
- EZwaste® Heavy Duty Solvent Waste System

After-Sales Technical Support & Lifecycle Services

Our certified and highly experienced Technical Services Division (TSD) ensures seamless installation, IQ/OQ, calibration, validation, and rapid-response after-sales support — delivering uptime, compliance, and lifecycle reliability you can depend on.

Our Global Network of Excellence

MEDISOL POINT LTD. collaborates with globally recognized manufacturers and technology leaders to deliver advanced, compliant, and future-ready laboratory solutions in Bangladesh — ensuring innovation, reliability, and long-term value for regulated industries.
